

# CVILLE PLANS TOGETHER

**Cville Plans Together** is an opportunity for the community as a whole to update the city's future vision, focusing on the very real issues of equity and affordability.

## Together, we will develop...

An update to the **Citywide Comprehensive Plan**, to guide the ways that the city will change and grow in the future.

An **Affordable Housing Strategic Plan**, as part of the Comprehensive Plan, to create a unified strategy for housing Charlottesville's residents.

An updated **Zoning Ordinance**, to ensure that development takes place in a clear and effective manner, and to work toward correcting injustice related to land use.
